

## A. Wedel-Madsen

The classic original Danish workshop lamp is designed by A. Wedel-Madsen. In style, expression and function, the workshop lamp unites modern and contemporary design values. In the 1950s, "the workshop lamp" was used to provide the necessary light for craftspeople in the workshop, passionate and very proud of their deep understanding of materials, techniques, and utmost attention to detail.

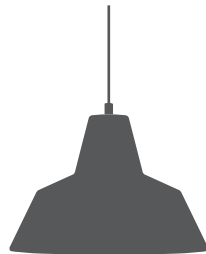

# MADE BY HAND

## WORKSHOP LAMP SERIES

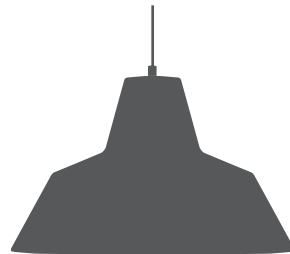

W5

Ø 820 mm  
H 450 mm
